# YOUR MIGHTIER GIFT

## Membership Includes:

**The Mightier App** creates a world of fun games where your child can learn and practice visualizing and managing their emotions. Available in these stores: GooglePlay, Apple AppStore and Amazon AppStore.

**The Mightier Tablet** is an Android 9.0 tablet and provides your child with a dedicated device to play Mightier. Simply select tablet at checkout. You may also use your own device.

**The Mightier Child Heart Rate Monitor Kit** brings emotions into the games so your child can see what they are feeling. The heart rate monitor is shipped for Free to your home in about 3 days and includes: 1 Mightier child heart rate monitor, 2 monitor bands, 1 stress heart and 1 wall charger.

**The Mightier Parent App** will help you set and maintain your child's play routine. Features include: Weekly Play Goal & Playtime Tracking, Tips & Insights to make your Mightier journey successful, and Quick & Easy Access to Customer Care support.

**The Mightier Family Care Team** is staffed with experts with clinical backgrounds available to enhance and support your family's Mightier journey. This includes live support 7 days a week.

**The Mightier Family Community** is where families can learn, share and get support. The community is private and an exclusive benefit for Mightier Members only.
