

Remember Moth

Is there anything that used to bug you but doesn't anymore? A bug you learned to befriend? Celebrate by making your own Remember Moth! Decorate your moth, then cut it out, along with the Bug Plan bookmark, to help remember that our bugs don't have to get the better of us!

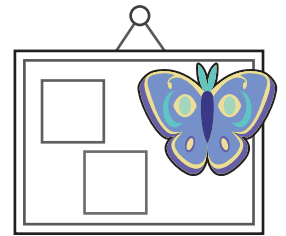

1. Add designs and color

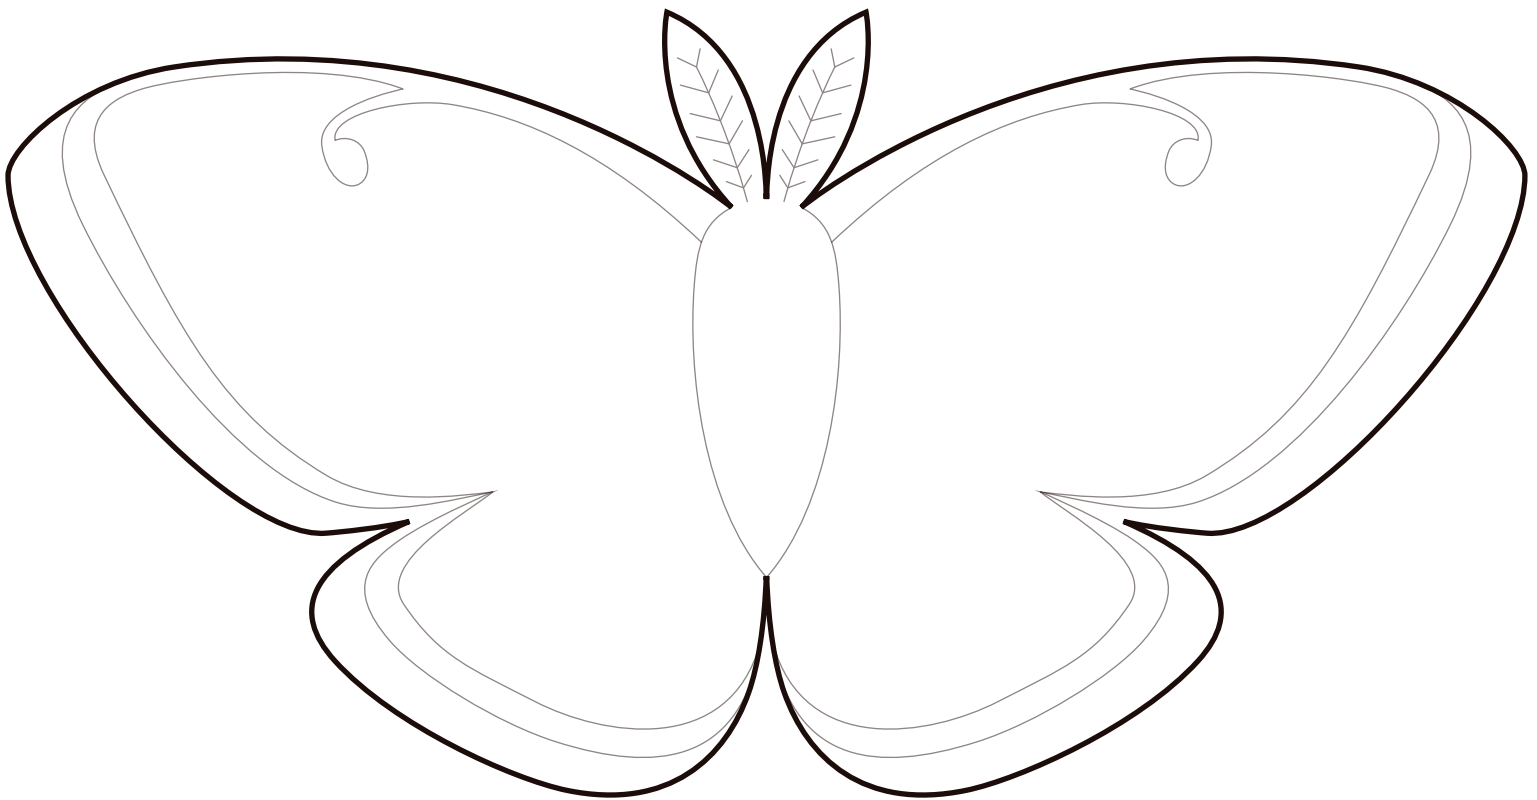

2. Cut out

3. Fold wings toward each other along center

4. Share your creation!

Cut out and color this Bug Plan bookmark!
